

# Contact Tracing Check IN Cheat Sheet

MPI requires us to create a contactless register. Please find instructions on how to use this when entering Suburban Eatery. This is a smooth contactless process.

## Step 1:

Please scan the QR code to check you in to Suburban Eatery.

**iPhone** users - Open your camera and hover over the QR code

**Android** users - You will need to have a QR code reader on your phone. You can download these for free in your App store.

You can use this QR code to set yourself up before arriving.
